LIBERTY PLAZA

In December 2007, Farmers Branch honored not only its commitment to beautification, but also to the heroism and patriotism of the sons and daughters of Farmers Branch. Liberty Plaza was dedicated as a new place to rest, reflect and celebrate America and those that have defended our freedom. This newest addition to Farmers Branch, boasts a 30- by 60-foot American flag, flying 150 feet off the ground, designed as a gateway into the City.

Located directly south of the Dr Pepper StarCenter, Liberty Plaza is in its early stages of growth. With future expansion on the horizon – including a water feature, patriotic sculptures, a walking trail and a meditation area – this plaza will become a place of living, working, playing, gathering, honoring and more.

Liberty Plaza will be an ideal location for citizens of all ages to come together and honor those who have served our country. It will also be the location of Liberty Fest!, an annual signature event by the City of Farmers Branch, for all to celebrate and enjoy our precious freedoms.
