

CITY OF FARMERS BRANCH

CITY MANAGER'S REPORT

A monthly informational report to inform the public on key metrics for eleven City departments.

JANUARY 2012

13000 William Dodson Parkway | Farmers Branch, TX 75234
www.farmersbranch.info | 972.247.3131

CORE VALUE 7

Provide efficient and fiscally sound government through conservative budgeting, spending and resource management.

KEY SERVICES

Budget preparation, accounts payable, utility billing customer service, information services, purchasing, and Municipal Court.

Monthly Revenue Snapshot*

Revenue Source	This Month	This Month Last Year	2011-12 YTD	2010-11 YTD
Property Tax	\$6,926,830.08	\$9,456,260.26	\$12,524,675.57	\$13,930,267.77
Sales Tax**	\$994,297.30	\$970,448.31	\$4,155,061.70	\$3,804,942.21
Franchise Fees	\$873,658.52	\$746,162.00	\$1,871,810.47	\$1,727,952.26
Landfill	\$167,380.80	\$288,135.97	\$586,704.49	\$633,036.47
Building Permits	\$23,366.51	\$20,335.71	\$144,939.53	\$134,888.64
Hotel/Motel	\$95,166.91	\$119,772.95	\$615,126.27	\$636,767.07
Water and Sewer	\$777,140.37	\$860,010.53	\$4,655,845.85	\$4,505,373.82

* Revenues shown were collected in January 2012.

** Revenue from sales that occurred in November 2011.

YTD Comparison to Prior Year

Legal Expenditure Snapshot

Expenditure Category	This Month	This Month Last Year	2011-12 FYTD	2010-11 FYTD
City Attorney	\$13,567.69	\$16,691.86	\$41,496.64	\$42,320.28
Municipal Court	\$4,400	\$4,640	\$16,440	\$16,160
Special	\$86,905.28	\$28,793.72	\$344,318.52	\$61,521.47

Network Uptime Percentage

Significance:

As technology evolves and more city services use computer systems to gain efficiencies and increase capability, the reliability of the computer network is paramount to ensuring that the City can operate. This measure is an indicator of the reliability of the City's computer network.

During the month of November there were several scheduled downtimes to change out equipment and there were 3 major failures of the core switch before the equipment change out.

Current Year FYTD Average Percentage: **99.54%**
 2010-11 FYTD Average Percentage: **99.94%**
 2009-10 FYTD Average Percentage: **99.92%**
 2008-09 FYTD Average Percentage: **99.97%**

Percentage Court Cases Disposed v. Filed

Significance:

The percentage of court cases disposed versus filed is an important indicator that impacts the workload of Municipal Court staff. Ideally, the larger the percentage of cases disposed versus filed, the better and more efficiently the court can operate. With more cases in open status (i.e., cases not closed through payment, time served, dismissal, completion of deferred order or acquitted at trial), the court staff spends a higher volume of time answering phone calls, setting the docket, processing warrants, and answering in person inquiries.

Current Year FYTD Average Percentage: 99%
2010-11 FYTD Average Percentage: 104%
2009-10 FYTD Average Percentage: 94%
2008-09 FYTD Average Percentage: 100%

CORE VALUE 1

Provide safety and security for citizens, visitors, and businesses through progressive public safety programs.

KEY SERVICES

Fire suppression, fire prevention, emergency medical services, rescue services, emergency management, fire investigations, and public education fire and life safety programs .

% EMS Calls Responded to in 5 Min or Less

Significance:

The national standard for departments providing EMS service to deploy sufficient resources to arrive within a five-minute response time for 90% of all incidents. Many studies note the role of time and the delivery of early defibrillation in patient survival due to heart attacks and cardiac arrest, which are the most critical resource intensive medical emergency events to which fire departments respond.

% EMS Calls Responded to Within 5 Min or Less

2008-09 FYTD Average: 64.75%
 2009-10 FYTD Average: 70.75%
 2010-11 FYTD Average: 68.75%
 Current Year FYTD Average: 67.2%

Average Response Time for EMS Calls

Significance:

The average response time is the traditional means of measuring response times with the expectation being that the lower the average response times; the quicker EMS is arriving on the scene.

Average EMS Response Time

2008-09 FYTD Average: 4 min 55 sec
 2009-10 FYTD Average: 4 min 46 sec
 2010-11 FYTD Average: 4 min 49 sec
 Current Year FYTD Average: 4 min 47 sec

% Fire Calls Responded to in 5 Min or Less

Significance:

The national standard for fire departments providing fire services to deploy sufficient resources to arrive within a five minute response time for 90% of all incidents. The response time is important because most fires reach full room flash-over in under 10 minutes and substantial fire department resources are needed to either prevent fires from reaching this stage or bring fires of this size under control.

2008-09 FYTD Average: 50.50%
 2009-10 FYTD Average: 69.25%
 2010-11 FYTD Average: 65.50%
 Current Year FYTD Average: 59.875%

Average Response Time for Fire Calls

Significance:

The average response time is the traditional means of measuring response times with the expectation being that the lower the average response times; the quicker the fire suppression resources are arriving on the scene.

2008-09 FYTD Average: 5 min 37 sec
 2009-10 FYTD Average: 5 min 2 sec
 2010-11 FYTD Average: 4 min 39 sec
 Current Year FYTD Average: 5 min 9 sec

Number of Base Commercial Building Inspections Completed

Significance:

Base commercial building inspections refer to a full inspection of a business that fronts a street. The current goal is to complete 105 base commercial inspections per month. These inspections insure that businesses are in compliance with fire and building codes for the life safety of the occupants and to prevent fires from happening accidentally or negligently. The inspection program is very important to reduce fire losses and fire fatalities.

2008-09 FYTD:	426
2009-10 FYTD:	425
2010-11 FYTD:	504
Current Year FYTD:	472

Number of Hazards Corrected

Significance:

The identification and correction of a fire hazard has the potential of eliminating a structure fire. The number of hazards corrected is a reflection of the inspectors' fire prevention knowledge and the thoroughness with which the inspectors complete fire inspections.

2008-09 FYTD:	721
2009-10 FYTD:	713
2010-11 FYTD:	915
Current Year FYTD:	1,116

Fire Loss

Significance:

The dollar amount of fire loss is a reflection of the department's effectiveness at fire prevention and fire suppression. The amount is lowered when fires are prevented or extinguished while the fire is still small.

2008-09 FYTD:	\$182,500.00
2009-10 FYTD:	\$308,160.00
2010-11 FYTD:	\$4,000.00
Current Year FYTD:	\$236,840 .00

CORE VALUE 1

Provide safety and security for citizens, visitors, and businesses through progressive public safety programs.

KEY SERVICES

Traffic patrol/enforcement, investigations unit, detention services, 911 and fire/EMS dispatch center, SWAT and K-9 specialties, narcotics and vice, and crime prevention.

Red Light Camera Enforcement Activity

Significance:

The goal of the Red Light Camera Program is to reduce intersection accidents caused by red light running. The program changes drivers' behavior, therefore making Farmers Branch a safer place to drive.

2008-09 FYTD:	1,752
2009-10 FYTD:	1,728
2010-11 FYTD:	3,716
Current Year FYTD:	3,685

Average Response Time for Emergency Calls

Significance:

A quick response to emergency calls is a service the residents of Farmers Branch have come to expect from police. Faster response times result in aid being provided to the injured quicker, increase the likelihood that suspects are apprehended and restoration of order quicker. The goal of the Farmers Branch Police is to respond to all emergency calls in less than 4 minutes.

2008-09 FYTD Average:	4 min 0 sec
2009-10 FYTD Average:	4 min 10 sec
2010-11 FYTD Average:	3 min 31 sec
Current Year FYTD Average:	3 min 29 sec

UCR Part I Property Crimes (per 1,000 pop)

Significance:

Uniform Crime Reports Property crimes include burglary, theft, auto theft and arson. Many property crimes in Farmers Branch are out of the control of police and are cleared. However, our goal is to keep our residents and businesses property safe. The FBPD takes a problem solving approach in dealing with crime; we utilize crime analysis to identify problem areas and then partner with the stakeholders to implement innovative measures to deal with the specific problem.

2008-09 FYTD Avg Crimes/1,000:	4.10
2009-10 FYTD Avg Crimes/1,000:	3.98
2010-11 FYTD Avg Crimes/1,000:	3.02
Current Year FYTD Avg Crimes/1,000:	3.44

UCR Part I Violent Crimes (per 1,000 pop)

Significance:

UCR Violent crimes include murder, rape, robbery and aggravated assault. Obviously violent crime is a leading concern of our residents and businesses; therefore the FBPD allocates a great deal of time and resources in the prevention and solving of violent crime by using a problem solving approach and building partnerships. The safety of our residents is our top priority.

2008-09 FYTD Avg Crimes/1,000:	0.24
2009-10 FYTD Avg Crimes/1,000:	0.18
2010-11 FYTD Avg Crimes/1,000:	0.13
Current Year FYTD Avg Crimes/1,000:	0.06

Accidents Reported

Significance:

FBPD is responsible for the safe movement of vehicles and pedestrians through our city. Being in a large metropolitan area, this creates a challenge. We have programs in place to keep our accident rate very low; including a full time traffic unit, a speed warning trailer, and automated red light enforcement. Our goal is voluntary compliance with traffic laws by drivers.

2008-09 FYTD: 190
2009-10 FYTD: 159
2010-11 FYTD: 135
Current Year FYTD: 157

CORE VALUE 3

Provide strong, thriving commercial & residential neighborhoods through planning, land use, development, code enforcement, revitalization activities and programs.

KEY SERVICES

Planning, zoning, building permits and inspections, code enforcement, animal services, food service inspections, hazardous materials response, storm water management, and vector control

% Compliance within 7-Days for 7-Day Notices

Significance:

This is a basic measure of Code Enforcement program effectiveness. The sooner a violation is corrected, the less the amount of time its presence degrades the surrounding neighborhood.

Current FYTD Compliance: 61%

10-11 FYTD: 33%

09-10 FYTD : n/a

Previously, the percentage reported did not account for the various types of correction periods for different types of violations. Beginning with July '10 report, the compliance percentages will be reported by the initial compliance periods, which are 7, 15, and 30 days.

% Compliance within 15-Days for 15-Day Notices

Significance:

This is a basic measure of Code Enforcement program effectiveness. The sooner a violation is corrected, the less the amount of time its presence degrades the surrounding neighborhood.

Current FYTD Compliance: 50%

10-11 FYTD: 59%

09-10 FYTD : n/a

Previously, the percentage reported did not account for the various types of correction periods for different types of violations. Beginning with July '10 report, the compliance percentages will be reported by the initial compliance periods, which are 7, 15, and 30 days.

% Compliance within 30-Days for 30-Day Notices

Significance:

This is a basic measure of Code Enforcement program effectiveness. The sooner a violation is corrected, the less the amount of time its presence degrades the surrounding neighborhood.

Compliance % for 30-Day Notices

Current FYTD Compliance: 65%

10-11 FYTD: 87%

09-10 FYTD : n/a

Previously, the percentage reported did not account for the various types of correction periods for different types of violations. Beginning with July '10 report, the compliance percentages will be reported by the initial compliance periods, which are 7, 15, and 30 days.

Top 5 Code Enforcement Violations

Violation Type	Number of Violations
1. Holiday Decorations	66
2. Outside Storage in Yard	57
3. Peeling Paint	55
4. High Grass & Weeds	49
5. Inoperable Vehicles	35

This chart illustrates the top 5 types of violation notices sent to residents for the previous month. Many types of violations are seasonal and cyclical, such as high grass and weeds or overgrown vegetation. Others are present year-round.

Top 5 Unresolved Code Enforcement Violations

Violation Type	Number of Violations
1. Peeling Paint	48
2. High Grass and Weeds	46
3. Outside Storage in Yard	40
4. Peeling Paint	34
5. Inoperable Vehicles	27

This is a new metric that illustrates what types of violations are unresolved as of the first of November. The cases identified here may span more than one reporting period, which is why the numbers do not correspond to the previous chart. The lower the number of on-going and unresolved cases, the more efficient the Code Enforcement staff can be in pro-actively addressing other code issues.

Number of Commercial Building Permits

Significance:

This is a basic indicator of local economic health that enables us to track and compare the volume and magnitude of construction activity in the city, e.g., a large number of small-scale projects; a limited number of substantial projects; etc.

Current FYTD Permits Issued: 87

2010-11 FYTD Permits Issued: 74

2009-2010 FYTD Permits Issued: 114

This is a metric that was not included as a monthly performance measure in 2008-09. As a result, 2009-10 was used as the base year. Beginning with the November 2010 report, year to year comparisons can be made.

Staff Time to Review Commercial Building Permits

Significance:

This is primarily a customer service indicator. However, the faster a permit can be issued, the sooner the project can be built and the sooner the increased real property value is potentially realized on the tax roll.

Current FYTD Review Time: 7.46 Days

2010-2011 Review Time: 4.86 Days

2009-2010 Review Time: 18 Days

This is a metric that was not included as a monthly performance measure in 2008-09. As a result, 2009-10 was used as the base year. Beginning with the November '10 report, year to year comparisons can be made.

Commercial Building Permit Construction Value

Significance:

This is a basic indicator of local economic health that enables us to track and compare the volume and magnitude of construction activity in the city, e.g., a large number of small-scale projects; a limited number of substantial projects; etc.

Current FYTD Value: \$7,673,962

2010-11 FYTD Value: \$41,115,590

2009-2010 FYTD Value: \$9,918,731

This is a metric that was not included as a monthly performance measure in 2008-09. As a result, 2009-10 was used as the base year, beginning with the December '10 report, year to year comparisons can be made.

Number of Residential Building Permits

Significance:

This is a basic indicator of local economic health of the local housing stock. Improving and maintaining the aging housing is a crucial component to ensuring healthy, vibrant neighborhoods.

Current Year FYTD:	79
2010-11 FYTD:	65
2009-10 FYTD:	51
2008-09 FYTD:	n/a

Residential Building Permit Construction Value

Significance:

This is a basic indicator of local economic health of the local housing stock. Improving and maintaining the aging housing is a crucial component to ensuring healthy, vibrant neighborhoods.

Current Year FYTD:	\$3,640,246.00
2010-11 FYTD:	\$2,490,384.00
2009-10 FYTD:	\$2,425,906
2008-09 FYTD:	n/a

Staff Time to Review Residential Building Permits

Significance:

This is primarily a customer service indicator. While many factors can impact review time, such as complexity of the project, the faster a permit can be issued, the sooner the project can be built and the sooner the improvements can be made to the home.

Current Year FYTD:	3.50
2010-11 FYTD:	4.31
2009-10 FYTD:	0.41
2008-09 FYTD:	n/a

Animal Rescue Rate

Significance:

This is a key measure of Animal Services program effectiveness. The higher the rate, the greater the number of adoptable animals being returned to their owners, rescued, or having found new homes.

Current Year FYTD:	100%
2010-11 FYTD:	100%
2009-10 FYTD:	95%
2008-09 FYTD:	97%

CORE VALUE 9

Provide responsive and timely service to citizens, visitors, and businesses.

KEY SERVICES

Planning and administration, operations management, contract administration, elections, legal, Mayor & Council support, records management.

Number of Critical Records Scanned

Significance:

This is a basic measure of records management effectiveness in permanently archiving critical records in electronic format so they can be easily searchable for future reference.

Current Year FYTD: 42
2010-11 FYTD: 38
2009-10 FYTD: 47

Number of Open Records Requests

Significance:

This is an important measure in that the more requests that are received, the more staff time and resources are spent searching for, collecting, and producing various documents. This measure works hand in hand with the number of records scanned, which should make finding the requested documents easier.

Current Year FYTD: 57
2010-11 FYTD: 49
2009-10 FYTD: 26

CORE VALUE 8

Provide extensive communication opportunities for informing citizens and allowing for proper input on city operations, programs, and policies.

KEY SERVICES

Television/cable services and programming, marketing, media relations, information radio, and communications & public affairs.

Number of Web Visits

Significance:

The City's website has become one of the primary means of communicating news and services to its public. Consistency in number of hits can be a barometer of web effectiveness.

2008-09 FYTD:	78,498
2009-10 FYTD:	112,740
2010-11 FYTD:	123,798
Current Year FYTD:	121,778

Number of Internet Dispatches

Significance:

This is a general summary of Internet information, to include Branch Mail, Twitter, Facebook, YouTube and others. It should be noted that most newsrooms also tune in to these forms of communication.

2008-09 FYTD:	48
2009-10 FYTD:	120
2010-11 FYTD:	107
Current Year FYTD:	89

Number of News Releases Distributed

Significance:

With the advent of all manner of Internet and e-mail notifications, News Releases in the 21st century are reserved for important events and significant news that will encourage the newsroom to take note. The number of news releases is influenced in large part by external events occurring in the City.

2008-09 FYTD: 13
2009-10 FYTD: 16
2010-11 FYTD: 22
Current Year FYTD: 21

CORE VALUE 5

Provide functional, sustainable, and well-maintained infrastructure, facilities, and equipment.

KEY SERVICES

Fleet maintenance and operations (vehicles and equipment), fleet parts supply, warehouse management, fuel services, and vehicle/equipment acquisition.

Uptime Percentage

Significance:

The uptime percentage is an important overall gauge of the efficiency of the maintenance activity and how effective the fleet program is executed. Without a reliable fleet of vehicles and equipment, the City could not function efficiently and accomplish the many projects and tasks that are carried out every day. Higher uptime percentage results from a proactive preventive maintenance program that emphasizes identifying problems before they cause the vehicle/equipment to be taken out of service for a separate repair. The uptime percentage can be negatively affected by age and condition of vehicles/equipment.

2008-09 FYTD: 97.7%
 2009-10 FYTD: 97.4%
 2010-11 FYTD: 97.46%
 Current Year FYTD: 97.28%

Number of Repairs Found During Preventative Maintenance

Significance:

The number of repairs found during preventive maintenance is a performance measure of the proactive preventive maintenance program. Equipment Services strives to find and repair as many issues with vehicles/equipment during routine scheduled maintenance (ie, the oil change) to maintain high uptime percentages and reduce the inconvenience of the customer. The “oil change” takes a little longer for inspection, but if done aggressively will save significantly more than the extra time spent through increased customer productivity and reduced repair costs from early detection.

Repairs Found during Preventive Maintenance

2008-09 FYTD:	163
2009-10 FYTD:	246
2010-11 FYTD:	251
Current Year FYTD:	325

CORE VALUE 6

Provide for the recruitment, retention, and continual motivation of educated and experienced employees.

KEY SERVICES

Recruitment & selection, training & development, benefits & compensation administration, workers compensation, policy/procedure development, employee relations, health & wellness programs.

Training Hours per Employee

Significance:

Training provides for the continuous improvement and updated knowledge base for the staff. Specialized certification programs also enhance the City's ability to focus on succession planning efforts.

2008-09 FYTD: 8.00
 2009-10 FYTD: 6.68
 2010-11 FYTD: 4.00
 Current Year FYTD: 5.25

Applications Received

Significance:

Application numbers reflect a number of variables, some of which are beyond the City's control, such as the economy. Increased applications are one indicator of the City's competitiveness in the municipal job market.

2008-09 FYTD: 953
 2009-10 FYTD: 422
 2010-11 FYTD: 346
 Current Year FYTD: 1081

CORE VALUE 4

Provide a beautifully maintained natural environment, parks, rights-of-way and green space and a wide variety of quality recreational and entertainment opportunities for all.

KEY SERVICES

Planning and administration of library programs , services, and collection; adult services; youth services; technical services; and circulation.

Visitors to the Library

Significance:

The Library is a vital community destination. The number of visitors to the Library is an indicator of the overall appeal of programs, materials, and other amenities to the community.

Current Year FYTD:	63,042
2010-11 FYTD:	66,027
2009-10 FYTD:	57,203
2008-09 FYTD:	50,677

Circulation

Significance:

Circulation is an indicator of how the Library's collection appeals to the varied interests of the community.

Current Year FYTD:	107,613
2010-11 FYTD:	127,003

Number of Programs Offered

Significance:

The Library caters to a wide variety of needs and interests in the community by offering programs at varied times and to diverse age groups. From promoting early literacy to providing cultural enrichment, the Library has a pivotal role in contributing to the intellectual vitality of the City.

Current YTD Programs: 178
2010-11 FYTD Programs: 135

*Methodology for statistics refined in May 2011 to better reflect use of Library resources

Program Attendees

Significance:

The number of attendees at programs is an indicator of how successfully the Library programs are appealing to the cultural, educational and recreational needs of the community.

Current YTD Attendees: 3,897
2010-11 FYTD Attendees: 4,594

*Methodology for statistics refined in May 2011 to better reflect use of Library resources

Love the Branch Web Hits

Significance:

The Love the Branch campaign was launched in November 2011. The Love the Branch website is central to the success of the campaign as all advertising directs back to the website. Monitoring the number of website hits will allow staff to gauge the effectiveness of the campaign.

Current YTD Visits: 14,922

Love the Branch % of New Visitors

Significance:

The percentage of new visits is an indicator of how many of the total visits are new people finding the site.

Current YTD: 87%

CORE VALUE 4

Provide a beautifully maintained natural environment, parks, rights-of-way and green space and a wide variety of quality recreational and entertainment opportunities for all.

KEY SERVICES

Grounds and landscape maintenance; median and right-of-way maintenance; sports & fitness programs; athletic tournaments; aquatics; senior services; holiday program; and facility maintenance

Recreation Center Class Registrations

Significance:

The number of Recreation Center registrations is an important indicator of whether the City is offering the types of classes that appeal to various segments of the community.

2008-09 FYTD:	1,699
2009-10 FYTD:	1,216
2010-11 FYTD:	1,664
Current Year FYTD:	1,506

Senior Center Program Attendees

Significance:

The number of attendees for Senior Center programs is an important indicator of whether the City is offering the types of events, programs, and classes that appeal to the senior community in Farmers Branch.

2008-09 FYTD:	11,929
2009-10 FYTD:	13,542
2010-11 FYTD:	15,632
Current Year FYTD:	20,036

Department Highlights

- Continuing installation of the new rose beds in Rawhide Park
- Pam Smith presented a landscaping class to the Grayson County Master Gardeners, 40 attended
- Public meeting relative to the pool project to be held March 1

Senior Center Activities

In addition to regularly scheduled fitness and social activities, the Farmers Branch Senior Center offered the following special opportunities to seniors:

- **New computer classes: Skype and Internet Travel, both classes filled**
- **Social Security Seminar, 21 attended,**
- **The Power of Profits and Peace of Mind with Doc Gallagher, 20 attended**

Historical Park Programing & Activities

The Farmers Branch Historical Park provides special programs for visitors throughout the year. The park is rented out for special events and frequented by school groups, the following represents activities held in the month of May:

- **1/14- Reservation with 70 attendees, 1/14**
- **Exhibited at Dallas Bridal Show, 1/28-29**

Special Events

The Parks Department provides leisure and entertainment opportunities to resident and visitors each month. The following are opportunities provided in the month of May:

- **1/28 - Middle School Madness, 290 participants**
- **1/10 - Landscaping with Roses 2012 classes have averaged 90 per class**
- **1/23 Live Healthy Program started, 80 participants**

CORE VALUE 4

Provide functional, sustainable, and well-maintained infrastructure, facilities, and equipment.

KEY SERVICES

Street and sidewalk repairs, installation/maintenance of water, storm water, & sewer systems, refuse collection, landfill administration, traffic system maintenance, engineering, and street sweeping

Streets Repaired (square yards)

Significance:

Streets are essential components to making vehicular traffic flow efficiently and safely through Farmers Branch. Continued investment in the capital infrastructure is an important function of the Public Works Department. This metric is an important component in keeping Farmers Branch neighborhoods and business areas vibrant and attractive for new residents.

2008-09 FYTD Sq. Yd Repaired:: 84,362
 2009-10 FYTD Sq. Yd Repaired:: 3,050
 2010-11 FYTD Sq. Yd Repaired:: 3,906
 Current Year FYTD: 2,100

Sidewalk Repair (square yards)

Significance:

Sidewalks are essential components to making Farmers Branch a pedestrian friendly community. While most areas are currently served by sidewalks, repairing sidewalks is an important maintenance activity that improves the neighborhoods as well as pedestrian accessibility.

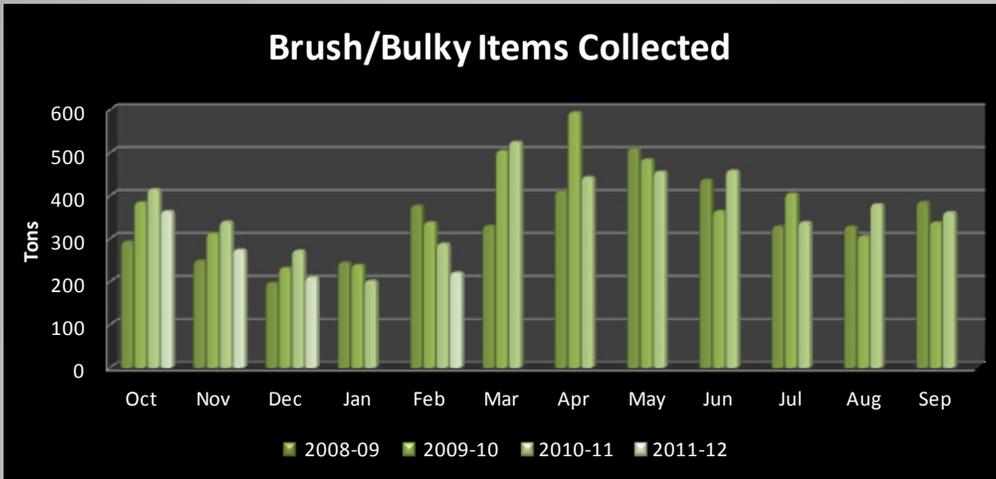

2008-09 FYTD Sq. Yd Repaired: 157
 2009-10 FYTD Sq. Yd Repaired: 552
 2010-11 FYTD Sq. Yd Repaired: 255
 Current Year FYTD Sq. Yd Repaired: 765

Bulk Items Collected - Green Grabber (tons)

Significance:

The Green Grabber is a very popular service that picks up brush and other bulky items each week. The tons of brush/bulk material collected is a measure of the program's utilization.

2008-09 FYTD:	984.29 tons
2009-10 FYTD:	1167.10 tons
2010-11 FYTD:	1,228.71 tons
Current Year FYTD:	1,068.00 tons

Gallons of Water Consumed

Significance:

This is an important indicator of the water usage by residential and commercial customers of the City and is one of many factors used to assist in developing revenue forecasts for the Water and Sewer Fund.

2008-09 FYTD:	806,401,000
2009-10 FYTD:	683,392,000

Number of Emergency Signal Repairs

Significance:

Emergency signal repairs result from equipment malfunctions that could affect motorist safety (e.g., a signal light out or an intersection in flashing mode.) These malfunctions are normally responded to within one hour of being reported. The City's objective is to minimize such malfunctions by performing preventive maintenance.
